

WE ARE HIRING!

Junior SAP Developer (m/f) ABAP

Everything is about IT and innovation

You think entrepreneurially, are looking for success in an ambitious team and attractive development opportunities with many-sided challenges: apply at Plaut! Flat hierarchies and an open working environment are at the centre of our culture. We react quickly and agile to market requirements and support innovative customer projects. We are part of one of the largest globally active German IT companies, the owner-managed msg-Group with more than 6,500 employees.

WE OFFER YOU:

- You can find your way into the SAP world and bring yourself as Consulting Developer
- After your training period, you are responsible for the complete Software development lifecycle for SAP among our customers - from the requirement admission over the problem analysis up to the solution design
- You advise and support our customers in the SAP modules
- You conceive and implement independently or embedded in Team solutions in SAP ERP and S/4HANA systems
- You work independently with customers and internal (specialist) areas together
- You are trained on-the-job and get an experienced colleague as Mentor

YOUR FUTURE ACTIVITY:

- In the first 12 weeks, we will use the SAP Learning Hub to teach you everything you need to know for a successful entry into SAP consulting
- The culmination of the training phase is an SAP certification
- Then you get the first own tasks in projects and master them with the customer independently or together with your colleagues
- A mentor gives you support in the first year, but also enough freedom to take on the role of SAP Developer (m/f) can grow in well
- Permanent employment contract after completion of the probationary period
- Attractive work-life packages

YOUR PROFILE TO MOVE FORWARD TOGETHER:

- You have a degree in economics, (business) computer science, mathematics or other adequate training
- Initial experience in SAP development / consulting and knowledge of SAP ABAP / ABAP OO are an advantage
- Ideally, you may have initial experience with SAP HANA, the SAP NetWeaver Gateway or UI5 (FIORI)
- You have good analytic-conceptual skills and enjoy software development
- You are characterised by analytical understanding, high motivation for further development and communication skills
- You are ready to travel within Austria, to support our customers locally
- You can show very good German and good English skills

INTERESTED?

Become part of Plaut Consulting Austria GmbH and drive innovation with us. A motivated and enthusiastic team looks forward to getting to know you. We offer an annual gross salary of € 35.800,-. Depending on the qualification and work experience an over-payment is possible. Send your application documents stating your earliest possible starting date and salary expectations to: bewerbung.at@plaut.com. We look forward to receiving your complete and meaningful application.
